Designer Tile Company

Designer Tile Company is one of the leading tile retailers in Melbourne. We offer the biggest and best range of quality, and affordable, floor and wall tiles, mosaics, specialist tools and tile products for the DIY home renovators, trades, architects and domestic and commercial builders.

Established in 1987, Designer Tile Company is a family owned and run business with over 35 years' experience in the tile industry. Many of our valuable team members have been with our company for over 15 years. We are able to provide expert advice on choosing the perfect tiles and mosaics for your project. We are also able to assist you with colour consulting, tile and timber selections, selecting the best tools and adhesives for the job, as well as reputable local tiler recommendations.

Our central Melbourne showroom is located on Centre Road in Springvale and offers an extensive selection of tiles, mosaics and timber products to help spark inspiration for your next project. We also have a Tile Clearance Centre and Tiler's Warehouse onsite to cater for every project, regardless of the budget.

At Designer Tile Company, we pride ourselves on staying up to date with both local and international tile trends. We are always on the lookout for new products and technologies in tile manufacturing, and application. Furthermore, understanding the importance of constantly providing new products sourced from around the globe for our customers. Our products products are sourced from manufacturers across Italy, Spain and Asia, and no matter the price of the product, quality will never be compromised, and you can be assured that you are receiving the best of the best.
